# 2020 Learning Resources – Kindergarten

Dear Families,

To commence the school year each child will require access to a variety of individual and collaborative learning resources. These resources are purchased in bulk by the school to ensure consistency of the materials being used across the school, to keep costs low and ease the time pressure for families at this busy time of year.

The cost of the learning resources provides each child with access to a variety of items, inclusive of all stationery, books, glue etc. It also includes an ICT levy to support access to a variety of digital learning tools and resources. This pack also includes a Margaret Hendry Home Reader Bag, your child will use this bag daily from Kindergarten through to year 2.

The cost of the resource pack is $95 per kindergarten child. Payment can be made by credit card through Quickweb on the payment tab of our school website, cash or cheque to the school office or EFT direct to the school account.

★ ***EARLY BIRD DISCOUNT $85*** ★
***If paid in full by February 7, 2020***
***Payments made by this date will also receive an entry into a draw to win your money back.***
***1 resource pack per learning neighbourhood will be drawn***

Our team is happy to assist with any questions you may have about your child's resource pack.
