

2020 Learning Resources – Years 1-6

Dear Families,

To commence the school year each child will require access to a variety of individual and collaborative learning resources. These resources are purchased in bulk by the school to ensure consistency of the materials being used across the school, to keep costs low and ease the time pressure for families at this busy time of year.

The cost of the learning resources provides each child with access to a variety of items, inclusive of all stationery, books, glue etc. It also includes an ICT levy to support access to a variety of digital learning tools and resources.

The cost of the resource pack is \$85 per child in years 1-6. Payment can be made by credit card through Quickweb on the payment tab of our school website, cash or cheque to the school office or EFT direct to the school account.

★ **EARLY BIRD DISCOUNT \$75** ★
If paid in full by February 7, 2020
Payments made by this date will also receive an entry into a draw to win your money back.
1 resource pack per learning neighbourhood will be drawn

Our team is happy to assist with any questions you may have about your child's resource pack.

If for any reason, you are unable to purchase the resource pack, financial assistance is available. You are welcome to have a confidential conversation with Kirralee Larkin, Business Manager, 6142 2800.
