

Dear Families,

This year our year 6 children have access to a kitchenette within their Homebase. Through the kitchenette children can access a microwave and boiling water tap. Resources will only be used under supervision of a learning coach during our shared lunch. Our shared lunch is a 15 minute eating break where we encourage children to eat together to build our sense of community.

Please return the permission slip below if you agree to your child accessing the resources. If you have further questions please contact your home learning coach.

Kind regards,

Charlotte Kewley & Angela Pound
