

2021 Learning Resources

Dear families

To commence the school year each child will require access to a variety of individual and collaborative learning resources. These resources are purchased in bulk by the school to ensure consistency of the materials being used across the school, to keep costs low and ease the time pressure for families at this busy time of year.

The cost of the learning resources provides each child with access to a variety of items, inclusive of all stationery, books, glue etc. It also includes an ICT levy to support access to a variety of digital learning tools and resources.

The cost of the resource pack is \$90 per child for the whole school. Payment can be made by EFTPOS at the front office, credit card through Quickweb on the payment tab of our school website, cash or direct deposit to the school account.

★ **EARLY BIRD DISCOUNT \$80** ★
If paid in full by February 7, 2020

Our team is happy to assist with any questions you may have about your child's resource pack.

If for any reason, you are unable to purchase the resource pack, financial assistance is available. You are welcome to have a confidential conversation with the Business Manager on 6142 2800.
