Dear Parents and Carers

Below is an overview of what remote learning will look like for your child between Thursday 05/05/2022 and Tuesday 10/05/2022.

3-6 remote learning

Guided by the ACT Education Directorate COVID Staffing Matrix, we are temporarily transitioning to remote learning for children in years 3-6 within each learning community **starting tomorrow** 05/05/2022. We anticipate that your child will be able to resume face to face learning Wednesday 11/05/2022. Children will be provided with chrome books today to support their remote learning.

K-2 onsite learning programs

A modified program will be delivered for children in years K-2 within their usual learning communities. Learning coaches from across the school will support the delivery of these programs.

- K-2 Swimming program will continue on Tuesday Week 3 as planned

Preschool onsite learning

Preschool learning program will remain the same and aligned with National Regulations for preschool aged children. The only adjustment to preschool will be staffing from time to time, your child will still be greeted and supported by familiar learning coaches each day.
